### Measures

- Subjective Outcome Measure: 'Good Day' Measure; Storytelling
- Objective Outcome Measure: Pulse Survey
- Process Measures: Project Health Self-assessment; Others are locally determined
- Balancing Measures: Locally determined - Staff turnover, team performance, patient outcomes, patient experience, exit interviews

# Learning Sets: Golden Threads

- 1) Storytelling
- 2) Self-assessment
- 3) Testing
- 4) Other themes that emerge in response to what teams are experiencing

# Learning Sets: Top Tips

## Teams

- **Organisation**
  - Make time to meet regularly
  - Follow-up on agreed actions and share tasks
  - Theme and respond to qualitative feedback at least every 2 weeks
- **Communication**
  - Agree how to communicate with each other e.g. group email
  - Understand why the project is important and believe in the work
  - Make the project visible to the whole team
- **Participation**
  - Encourage participation and listen to the wider team
  - Engage with your sponsor and coach regularly
  - Project team should be representative of wider team

## Sponsors

- **Routines**
  - Meet regularly with Project Lead
  - Stay in touch with coach/team at least every 2 weeks
  - Attend monthly QI Forum and bring up the project
- **Behaviours**
  - Create opportunities to acknowledge effort and celebrate project progress
  - Talk about the work with the whole team
  - Be positive and supportive of the team
- **Responsiveness**
  - Proactively ask whether you can help overcome any obstacles
  - Be responsive to peaks and troughs during the life of the project
  - Respond quickly if coach or team contact me with an obstacle
  - Listen and hear

## Coaches

- **Support**
  - Support team to meet regularly
  - Support and encourage team to collect and review data
  - Support project lead to engage team
- **Purpose and participation**
  - Help facilitate activities that build shared purpose
  - Encourage the team to download and use ImproveWell app
  - Travel the journey with the team and give honest constructive feedback

# Measurement for Testing

- Get to testing as soon as possible
- Test the quick wins
- Complete the feedback loop
- Make it visual and visible

# Exercise: Planning Baseline Data Collection

- Think about how you will collect baseline data by 8<sup>th</sup> October using Pulse Survey and Good Day Measure.
- Who, what, where, when, how of:
  - Comms, Tasks, Follow-up, Completion, Feedback to team, Recording, Planning tests for quick wins etc...

# OBJECTIVES FOR NEXT 4 WEEKS

# Objectives

- 1) Run an Appreciative Enquiry within the next few weeks.
- 2) Start collecting daily baseline data using Good Day Measure. Daily until 8<sup>th</sup> October 2019, weekly thereafter.
- 3) Collecting feedback using Pulse Survey. This will be pushed out through the ImproveWell app by the QI Team on 23<sup>rd</sup> September and will close on 8<sup>th</sup> October 2019. Thereafter you can decide which questions to use more often.
- 4) Register your project on Life QI then create an Aim and Driver Diagram from what you learn from the above activities. Your coach can help you with this.
- 5) Test at least one change idea by 8<sup>th</sup> October. Focus on quick wins that come from the above activities.
- 6) Select up to 3 people from your team to come to the next learning set on 10<sup>th</sup> October 2019
